#### Tax Rate

The Michigan income tax rate remains unchanged at a 4.25% flat rate.

## Personal Exemption

The number of personal exemptions a Michigan taxpayer could claim had previously been tied to the number claimed for federal tax purposes. With the elimination of federal tax personal exemptions, Michigan enacted Senate Bill 748 (Bill), signed by Governor Snyder on February 28, 2018.

Under the Bill, the reference to federal exemptions is removed. The Michigan personal exemption deduction for 2021 is \$4,900.
